OFFICE OF PETITIONS

In re Application of :
See et al. :
Application No. 10/561,360 : **DECISION ON PETITION**
Filed: March 15, 2007 :
Attorney Docket No. PA040025 :

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed February 22, 2011, to revive the above-identified application.

The petition is **GRANTED**.

The application became abandoned for failure to reply in a timely manner to the non-final Office action mailed, July 9, 2010, which set a shortened statutory period for reply of three (3) months. No extensions of time under the provisions of 37 CFR 1.136(a) were timely obtained. Accordingly, the application became abandoned on October 10, 2010. A Notice of Abandonment was mailed January 18, 2011.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of an Amendment, (2) the petition fee of \$1,620.00, and (3) a proper statement of unintentional delay.

Further, it is not apparent whether the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute this patent application. In accordance with 37 CFR 1.34(a), the signature appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party in whose behalf he/she acts.

Additionally, an extension of time under 37 CFR 1.136 must be filed prior to the expiration of the maximum extendable period for reply. See In re Application of S., 8 USPQ2d 1630, 1631 (Comm'r Pats. 1988). Since the \$130.00, one-month extension of time fee submitted with the petition on February 22, 2011 was subsequent to the maximum extendable period for reply, this fee is unnecessary and will be refunded to petitioner's deposit account in due course.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-7751.

This application is being referred to Technology Center AU 2187 for appropriate action by the Examiner in the normal course of business on the reply received.
